## Horizons of Knowledge Competence to Master the Future

Innovative developments in the field of medical technology, sophisticated new treatment methods, increasingly more stringent requirements for hospital and quality management and, last but not least, a healthy interest in acquiring new knowledge has given rise to an enormous and ever-increasing demand for further and advanced training.

The Aesculap Academy enjoys a world-wide reputation as a leading forum for surgical and medical training and answers the demands of health-care professionals in all areas of practice. The course programme comprises a wide range of hands-on workshops, management seminars and international symposia.

### Consecutive Winner 2005, 2006, 2007

Aesculap Academy courses are of premium quality and are accredited by the respective medical societies, where appropriate.
